Bob loved family gatherings and creating memories. Bob was a member of Zion Lutheran Church in Tobias, Nebraska. Besides his family, golfing was his passion in life. “ To Bob's Family....I want to tell you how saddened we were to hear about Bob's passing . I have spent the last two days thinking about him and feeling so sad. Then reading the tributes from his classmates takes me back to Loup City High School. I see Bob and his friends and it makes me smile, laugh and then cry. Those are good memories from a long time ago. I have no doubt that Bob's best time in life was after he had his family . He 's a legend and Donald and I will remember him always!

“ My condolences go out to Bob's family at this difficult time.
If only we could bring back the years past and re-live them! I too, was one of Bob's friends and classmates. Remembering so many good times during high school and then the time spent when several of us ventured "West" to live. Those truly were the days! Bob was a unique person with his broad smile and willingness to try anything at least once. The glitter in his eyes and his big smile will be remembered and missed by so many. Our reunions were the only contact I have had with Bob for a number of years and I truly regret that. Bob, you will be missed by so many but you'll never be forgotten.

“ I was saddened to hear of the passing of one of my best friends from Loup City High School. Bob and I became friends when Ashton consolidated with Loup City so we were only together for one year. But Ah what a year!. I will always remember Bob as a kind, joyful, fun loving guy with a quick wit and ready smile that quickly became a laugh. We weren't laughing so much when I helped send him off on a tour of combat duty in Viet Nam, but he served his country with great distinction. You, his family, should be very proud of his courage and his service. After military service, we drifted apart and except for a couple of reunions did not see each other again. I regret that I did not make more of an effort to reconnect with Bob, but I am grateful that I knew him. When I recall my high school days, Bob is always in my thoughts grinning and poking fun. I will miss him and I am very sorry for your loss. Allan Eurek

“ Sad news indeed.... My condolences to the family in your time of loss. Bob and I were great friends from elementary school throughout high school, sharing more fun times than I could ever count and building an enduring friendship into our adult lives. A true and loyal friend, and a person who always made others feel good just by being around him. Go rest high upon that mountain, Bob.

“ I went to Loup City High School with Bob. After all these years, going on 50 years now, since we graduated and when I last saw Bob. I still have memories of his pleasant smile and laughter.
