“ My mind is overflowing with memories of Danny, riding horses with him in the fields of the Softly farm, trying to keep up with jack rabbits, catching tadpoles at Indian Creek (our name for an irrigation ditch), taking trail rides with ample lunches packed by Aunt Dory, which included peanut butter sandwiches, and the fresh peaches which Danny dearly loved, roller skating in the basement of the Grafton house, overnights at Grandma B's. I also remember Danny's love of eating hot dogs when he was young. I think hot dogs and fresh fruit (especially peaches) were his favorite foods then. I have these, and so many other memories of this special cousin who was my best friend through my sophomore year in high school. Danny was quiet, but thoughtful, and to me, always a kind and loving person. May God bless and comfort all of you who loved him.

“ So sorry to hear about Danny's passing. I remember when Mom was still working at Mini Mart and I would be in there talking to her. Danny would come in and joke with me. He was a great guy. My thoughts and prayers are with the Softley families. God bless you all. May you find comfort in our Good Lord.
