After graduating Fern taught 4 years in Fillmore County rural schools. Fern then took a job as a cashier at J.C. Penney Co. in Geneva and was employed there for 3 years.

She created cross-stitched aprons, rick-rack earrings, crocheted afghans, hand sewed many baby blankets and made Christmas ornaments as gifts. Summers were spent canning many quarts of peaches, plums and pears.

Fern assisted her husband in coaching Little Chiefs baseball when their boys were old enough to play. Many hours were spent playing catch in the alley to get them in shape.

When their children had families of their own, Fern and Otto enjoyed traveling to visit their grandchildren and Otto's relatives in North Carolina. From 1989 through 1996 they were active in Bryan Memorial Cardiac Rehabilitation.

“ Fern was my fourth grade teacher at Sod Town country school. I never forgot her and kept in touch with her for many years until the last few weeks of her life at Heritage. She was not only a good teacher but a good kitten ball player with us at noon recess. I always wanted her on my side as she could bat the ball farther than anyone. Sweet memories.
