“ Myron cared for his family and his land. He rotated crops and provided food and habitat for wildlife. He was a conservationist who I enjoyed working with.

“ Always loved Myron's happy, spirited personality. So many good memories of my growing up years going out to the farm for harvesting (mainly of wheat). Riding in the combine or sifting through wheat once it was placed in the trucks to take into town for measurement. Myron will be missed, but the memories will live in me forever.

“ Karen and family,  
I'm so sorry to hear about Myron. We loved that you and the kids came to visit us when you were in Ca long ago. I'll always remember his sense of humor and friendliness. He was a legend in your area. RIP Peanuts.

“ Karen & family. I'm so sorry to hear of Myron's passing. He was a great man, husband, father, grandfather, brother, uncle, cousin & friend! He will be missed by many! I'll never forget speaking to Myron at one of many Czech Days in Wilber. I was speaking to him in Czech he replied back to me "You are all Irish! 🇮🇷" I'll never forget it! My Mom was 100% Czech & my Dad you guessed it, was Irish! It still makes me laugh to this day! Special memories will be cherished forever!
