“ Met Sharon when I was a freshmen in high school. She and Kay Steider Carlson took several of us under their wing at an FHA slumber party for new members. I remember we had a blast and a long friendship began. I too lost track of Sharon when she was in Lincoln but we renewed our friendship when she moved back to Geneva. She had a good heart and will be missed by those of us who were able to call her our friend. She is now at peace. Love ya girl!

“ Sharon was more darn fun until she got around the Fairmont girls. Then there was going to be a fight. I backed away about as far as I could. I am not much of a fighter. She was two year older than the class of 64 but was always one of us. We lost touch while she was in Lincoln but picked up where we left off when she came back. Her life has not been easy but she loved a lot and overcame a lot. I am proud to call her my friend. Rest in peace my friend.
