“ Dennis, Bev and Linda- How saddened I was to read of your Dad's passing. To live to be 101 is indeed incredible! I remember all the wonderful times I spent at their house and listened to him sing. What a powerful voice he had! Please know that you all are in my heart and am thinking of you. Remember that memories are the legacy of love.

“ Andy was a wonderful man. He is the guy that got me hooked on doing the sudoku puzzles. Always had a smile when I worked in Fairmont.
