“ Ann will always be remembered as the best neighbor ever! It's going to be so different not having her next door to me and my family. Ann always had a wave to share and always a smile on her face. She greeted us on her porch all the time as we would arrive home from work or school. I will miss our talks we would have and the smell of her perfume! She was there to watch my kids grow up and I know she will always be watching over them in heaven. Our neighborhood will never be the same without you Ann! We miss your smile and your waves already. You will be thought of so much and I will say prayers for you. Love and miss you my sweet neighbor! Sam, Lori, Austin, Christa, Carson and Macy Scott

“ My sympathy goes towards the McDonald family. Ann was my neighbor for 34 years We had many many conversations about life And talked about Our children And about the grandchildren She used to bring me Over a cup of coffee once in awhile when I was working outside Always concerned that I work too much Always want to see what project that was starting She come over with the coffee and she says you need to take a break One of the best neighbors you could ever have She was there a long time She's in a better place now and Won't have half to worry about nothing anymore The McDonald family Has one of the best Guardian angels You could ever have

“ I enjoyed working with your mother at the extension office. Her attitude was always a positive one. She thought a lot of her family, we visited numerous time about you.

Have many great memories of the years we worked together and all the things that happened with the office and 4-H program.

Kay enjoyed the bridge groups that they both played in.

Our thought are with her family.

Grandma Ann was always energetic, funny, and onery---but she loved her family very much. I remember many soccer games with her and her oversized funky sunglasses watching her grand girls play and her son coach. She was proud of all of the McDonald's. I hope we all can be a little more like her when we grow up. Am thinking of Jerry, Kris, Ashton, and Betsy and sending prayers up for you all. If you need anything, please reach out.....love, Bev
