“Katie, (and family) I cannot begin to express how deeply sorry I am. I hate that I didn't even get the chance to meet your precious daughter, but my hopes were that you would come bouncing across the drive way and ask me to keep her while you ran a few errands from time to time. I never got the chance to even tell you what a blessing it would have been for me. As before, if there is anything at all I can do, don't hesitate....
