“ So sorry to hear of the loss of Bea. What a lady she was, and as everyone has commented, she had such a contagious laugh!

I have such good memories of her in the old neighborhood. I also have great memories of going to District 6 country school with her kids so many years ago. I was the youngest, and I remember the older kids always watched out for me. I've never forgotten that.

Our deepest sympathies to the entire family. Take care and God Bless,

Shelli (Kuska) and Jeff Krupicka
