“ *My love for Betty will never change. She was very kind, sweet, funny, and giving. She was a great cook and did beautiful sewing too. I had so much fun baking with her, making ice cream, and picking vegetables in the garden when I was a young girl. I remember baking cookies with Betty and Jimmy one time and we got into a flour fight-that was a sight to see. She was a wonderful stepmother! I will miss her. She will always remain in my prayers.*
LOVE, Barbara
