Betty Jean Julson was born to Noble Garth Hannah and Helen (Kesler) on June 22, 1937 at Friend, Nebraska, and passed away July 10, 2017 at Bryan Medical Center in Lincoln, NE at the age of 80.

Betty was the oldest of three children. Along with younger sister, Bonnie and brother, Clifton Betty enjoyed her childhood at the family farm in Beaver Crossing, NE. After completing her education at Beaver Crossing High School, she married Jerry Fielder. Within the first five years of their marriage they had four children; Cheryl, Jeff, Ray, and Paul. They raised their family in Nebraska and finally settled in Des Moines, Iowa. Betty was a devoted young mother always looking for adventures for her and her young family, even if just in their own backyard. In 1989, Betty married John Julson and they lived happily for two years in Florida before his death in 1991. After John's passing,

Betty eventually returned “home” to Nebraska to care for her elderly mother.

Betty’s passion in life was giving of herself, her time, and her testimony to others. She gave the gift of prayer to all who needed it or asked, and she always looked for, and found, answers to her prayers. In particular, Betty prayed for all children, and would ask that we follow in her footsteps.

Betty was preceded in death by her parents, her husband, John, and the father of her children, Jerry Fielder. Left to grieve her loss are her children, Cheryl (Bob) Tinsley of Geneva, NE., Jeff (Jackie) Fielder of Norton Shores, MI., Ray (Moni) Fielder of West Des Moines, IA., and Paul (Carla) Fielder of Watertown, MN., 16 grandchildren, and 7 great grandchildren; a sister Bonnie (Arvon) Engel of Colorado Springs, CO., a brother, Clifton (Connie) of Loma, NE., her church family at Connect Church in Geneva, NE., and many, many dear friends throughout Nebraska and Iowa.

“ Betty will be missed!!! Betty did so much for everybody she came into contact with. Some didn't even know it! She did lots for our family. She did lots for me. She did it ALL for God's glory. Betty did nothing without God's approval when it was important. How she knew was hearing the Lord speaking to her. Betty had this glow of the Lord's love and presence that shined so bright and I imagine it shining so much brighter as I type this! Betty was what my family and I needed. Betty taught our daughter how to write her name, when our daughter had it down pat we knew it. She came home and in large letters wrote her name on our bathroom wall, lol. When I am down and need to be lifted up, I have through the years could and will forever think of Betty and her big smile and the love of God's love and presence running through her, into me and feel better of what she would tell me of whatever the situation was/is. Her words would always be, did you take this to God? If yes, she would ask what He said, if the answer was no, she would right then and there take it to Him with me. Betty has been and will always be my gift from the Lord! I love Betty and always will be able to here her voice and feel the presence of God's words coming from her with our time together here on God's earth. Never forget that glow and that big smile of hers God so generously blessed her with and it's meaning. Also, don't forget, "Joy comes in the morning!"
