Darlene was a very sweet lady. When she was working at the courthouse, she always had a smile on her face. I would always say hi to her and we would talk for awhile. My thoughts and prayers go out to all of her families. May you find comfort in God during your time of need.

Our sympathy to Darrell and the family for their great loss. Darlene was such a "strong lady" and never lost her smile through all the pain. She cared deeply for her children and grandchildren and greats, keep those memories close to your hearts - she'll always be watching over you!

Darlene was a strong woman who always made the best of her life. I remember when she was dating Darrell & she told me he was teaching her to relax; that continues to make me smile when I think of it. Good-bye, Darlene, you will be missed. My prayers are with all of her family on their monumental loss.

“ Darlene and I shared a birthday. Many years ago she called to wish me a Happy Birthday. I was so surprised. That formed a bond of friendship between us that lasted through out the years. I admired her spunk and positive attitude through her years of battling cancer.
