“ El and Family: I had the pleasure of working with Del for about 20 years. Del was a very kind, caring and generous person and he always had a funny comment or joke to break the ice. I know Del was always concerned about El's condition and health and not so much his own. I am sad to hear of his death. My deepest sympathies to the whole family. Del and all of you will be in our prayers during this Easter season. Mike Murphy
