

Donaven G. "Barney" Borschlegl

January 22, 1931 - April 15, 2013

Donaven George "Barney" Borschlegl was born January 22, 1931, in Ohioa, Nebraska to George and Lillie Borschlegl. He passed away on Monday, April 15, 2013 in Lincoln, Nebraska at the age of 82 years, 2 months, and 23 days. He was one of 2 children in the family.

After Graduating from Ohioa High School, he attended Peru State College where he was a standout athlete in basketball and baseball. He is still on Peru State's scoring record charts. In 1951, he met an auburn haired beauty from Fairbury, Nebraska, Patricia Lee McKay, who was also attending Peru State College. They were married February 3, 1952. Don and Pat were blessed with 6 children. Jeffrey (1952), Dirk (1953 – Deceased 1973), Eric (1956), Andrea (1957), Fletcher (1960) and Garth (1965).

Don Graduated from Peru State College with a Bachelor's in Education. He was immediately drafted into the U.S. Army during the Korean War. For his two year tour of duty he was sent to Berlin, Germany. While stationed in Germany he made the post basketball and baseball teams and played throughout Europe against other U.S. military teams and Berlin's professional teams. When he wasn't playing sports while in the army, his military occupational specialty was an MP, military policeman. When he was honorably discharged, he hurried home to his family, Pat, Jeff and Dirk. Donavan had many careers in Nebraska including teaching and coaching basketball and football at Plymouth High School, Neligh High School and Norfolk High School. He was a winning coach as well as a beloved teacher and mentor. Many former players continued to visit Barney for many years.

In 1960, they moved from Norfolk to North Platte, Nebraska, where Don was an insurance agent. The family moved to Gothenburg in 1968, where he continued to work in the insurance business. He changed his career path when he purchased and ran the Gothenburg Bowling Alley until they moved to Gering in 1977. He was an insurance agent and built a few homes while in the Gering/Scottsbluff area. They moved to Geneva in 2002 to retire.....Not. His idea of relaxing was to remodel old homes which is what he and Pat loved to do.

Donaven was a good friend to anyone he met. We fondly remember his favorite catch phrases such as "I'll be go to grass," "baloney sauce," and "go get me the

whatchamacallit.” He loved the TV show “Maxwell Smart” which made him laugh along with his accident-prone friend Tom O’Connor. His 19 grandchildren and 3 great grandchildren were so very important to him. They could do no wrong and he took great pride in whatever they did. Dad always said he had an amazing life and I’m the luckiest man alive.

Donaven was preceded in death by his wife Pat (2011), son Donavan Dirk (1973), and parents George and Lillie Bornschlegl of Ohio.

He is survived by his children Jeff Bornschlegl of Davenport, Iowa, Eric & wife D’Mor Bornschlegl of Pickerington, Ohio, Andrea & husband David Schwartz of Lincoln, Nebraska, Fletcher Bornschlegl of Fort Worth, Texas, Garth & wife Angela Bornschlegl of Lincoln, Nebraska; sister Delores Sorensen of Lincoln, Nebraska; and 19 grandchildren and 3 great grandchildren.

“ You don't know me, but I new Barney quite well. He, Darrel Attebery and my husband, Jim Robinson, used to referee football games for a lot of little town around North Platte. They always had a few laughs and imbibed a few after the games. He came to the house several times and we always had great laughs. My thoughts and prayers go out to you all. Brenda Robinson
