“ *Doris was the best. She gave me excellent examples of how to be strong, resilient, fearless. When I think of how she conducted her life, the word richness comes to mind. I am so fortunate to have had the opportunity of experiencing a small part of who she was. My condolences to the family. Family was certainly important to her and she had a swell group of people in that clan. --Steven Warner, Iowa City*

“ I remember Aunt Doris taking care of us kids when mom was sick, I believe in 1948. Lots and lots of great things I remember about that experience. She was always a fantastic lady who was not afraid to speak her mind. I think I will celebrate her life rather than mourn her death.
