“ Sharing some photos of my Grandmother Dorothy with her grandchildren and three sisters 💕 you will be missed so much you were always the glue that kept us all together and the Heart of our family. You were tuff as nails and never minded a little hard work. An amazing cook and baker I'm sure going to miss all the wonderful czech dishes. "Especially the poppy seed kalachi's those are my favorite". I miss all the family holidays out at the farm, those are some of my best memories. You had a way of making everything so perfect. I'm so proud to call you my Grandmother. And proud of the czech heritage that strongly Embraces our family. "I love you Grandma" you will be truly missed. But I know you are in a wonderful place now, and grandpa Les, and my father Loren are with you. I know that I will see you again someday. So I'm not going to end this with rest in peace but with live on in joy and happiness for you have finally gone home. 🙏🙏❤️
