“ I am so shocked and saddened to hear of Dwayne's untimely passing. He was truly a special soul among us. He loved to laugh and wanted everyone to laugh with him, which he assured with his special brand of wit. Kathy, we had such a special friendship when we all lived in Hastings, and I am really sorry I didn't do more to stay in contact. I really believe when we are saddened by the passing of someone who seems too young, we must remember this person was deemed worthy to come home. And someday we will all understand why. Dan Dilla

“ I can't begin to tell you how sad we are. An incredible shock to learn of Dwayne's passing. He always had a smile and a warm greeting for everyone. Thinking back to our times in Holdrege, watching one another start their families, worshiping together, taking kids to church camp, helping you find a home. Later to meet for dinner or a concert, a wedding ! Loved staying connected with such a special family!

Please Know how much we care and love you all! May God cover you with HIS peace.
