He collected toy semis and cars and anything that a John Deere logo on it. A lot of people remember him by his camouflage hat, yellow tank t-shirt, driving semis and fixing everything with duct tape and zip ties. He was always about smiles and laughing. Every morning when he was home you'd wake up to the smell of coffee brewing because Lorianna would always have fresh coffee ready for his John Deere coffee mug. Francis

thoroughly enjoyed life and accomplished everything he could, and he was proud of everything he accomplished in his life.
