He was one of eight children and spent most of his time working the farm. He loved horses and his Ford coupe. After graduating Bruning High School, he entered the Navy in late 1944, where he served in WWII on the USS Rodman and the war plane carrier Bunker Hill. After the war, he continued work on the farm and then carried mail for the US Postal Service. During this time, he was also the lead singer for the Mickey Kull Band and the Rhythmaires. He

A lifelong outdoorsman, he loved fishing, hunting, boating, and camping. It brought him great joy to teach his family members to fish. Gaylord was a Boy Scout leader, in the American Legion, and volunteered for the Bruning Fire Department. He lived in the Bruning area all of his life and was an active member of Trinity Lutheran Church, where his tenor voice filled the sanctuary. “ Gaylord was a bus driver when I did quite a bit of substitute teaching in Bruning. If he saw me at the school he would always ask me, "Who are you today?" He always asked me that, long after I was a substitute teacher and I think asked me that the last time I saw him at church in Bruning.
