“ *The ability to love many women have left your greatest legacy, all of your wonderful children. They are all different and amazing. You have left a plethora of memories for many people. You were a kind, giving, and loveable man. You definately weren't perfect but who is? Who are we going to pick on now? lol RIP ole man!*

“ I didn't know George that well. He was the dad of a young man that my son went to school with who I always liked so to Scott I just want to say I am so sorry for the loss of your dad. I also had the honor of having three of his grandsons become my nephews. To Josh, Brandon, and Noah. I am so so sorry for the loss of your grandpa, its not fair you should lose two in less than a year. I am thinking of you all. Hugs.
