

Gerald "Jerry" Schreiner

March 18, 1950 - November 6, 2021

Gerald Paul "Jerry" Schreiner was born in Brookfield, Missouri on March 18, 1950 to Leo & Mary (Hemberger) Schreiner. He passed away peacefully at his home in Fairmont, Nebraska on Saturday, November 6, 2021 at the age of 71 years, 7 months, and 19 days. He was the youngest of 3 children born in the family.

After serving in the Air Force from 1968 – 1972, Jerry and Jin lived in Colorado where he got his Agriculture, Multi Engine and helicopter licenses. Fate brought him to Nebraska where he was a crop duster for many years, owning his own business for a time. He retired from flying several years ago but always kept the love of it.

Anyone who knew Jerry knows he lived life and lived it with gusto from his crop dusting days and his love of "Whales Of Cash " at the casinos. He didn't know a stranger, would help anyone in need, and will be missed by many, many people.

Jerry was preceded in death by his parents and his sister, Ruthann.

He is survived by his wife, Jintana of the home; brother, David (Anita) Schreiner; nephews, Matt (Sherri) Gelvin, Tom (Candee) Schreiner; nieces, Geni Mahjoub, Chris (Mike) Palan and Lisa (Steve) Hevalow. Also surviving

are several grand, great grand nieces and nephews, cousins and countless friends.

It was Jerry's wish to have no formal service.

“ I hope no one else was naive enough to ride a Ferris Wheel with Jerry because he promised not to rock the seat. He couldn't wait until our seat stopped at the top to start it rocking. That's when I realized I really had another brother to torment me (and just laughed at the paybacks). He was probably the most unique person I have ever known who never met a stranger, was smart and generous and who looked at life as just one adventure. Rest In Peace my “ brother from another mother.”

“ Uncle Jerry was a character. Playing cards, Wahoo or any game with him would always result in Jerry’s voice going about as high an octave as a person could get. Then the laughter would start. He would laugh and everyone one else would laugh to tears and some would even pee a little bit. Bellies would hurt for days from laughing so hard. When my wife, Sherri, went to his house for the first time, it was show and tell time. Jerry had toys n stuff and there was a story behind everything. I think he gave her a bunch of crazy t-shirts, coats, trinkets and a ring to wear.....because I hadn’t given her one. We talked about once a week, he would reach out when in Omaha. Jerry was “always on”. Love him dearly.

“ Jerry and I met through the love of aviation, (and beer). We became great friends through the years. He trusted me with his spray plane to give me a start as an ag pilot.
Thanks Jerry for the great times. I'll miss you.
Jin, I wish you the best

“ When Uncle Jerry was coming to town it was like the circus was coming and I couldn't wait...I knew it would be so much fun. I loved listening to all his stories about travel. When we went to his house he would buzz the house in his plane and drop a flag in the pool. I thought that was amazing. When he liked something it was always "decent." I still can't believe you're gone Jerry. I'm going to miss you so much. The last thing you said to me when we talked on the phone was "I love you man" I love you too, always.
