“ Helen & Harold were like grandparents to me as well, since mine passed away when I was quite young. They came to all of our family events (graduations, birthday parties, etc.) & that meant so much to us all! Harold always had a way of making us smile & laugh. He will be remembered by our family with much love & it is a blessing that he is now at home in heaven... no more pain & sorrow! Helen, you are in our hearts, thoughts & prayers. We love you & will miss Harold, but know he is in a better place. Heaven is OUR home!

“ To God be the glory forever and ever, in Jesus name In this life adventure there are always many who are special and Harold will be remembered as one of those special people. It was always a treasure to visit with him and he was always aware of what things in life were all about and what was the important part of that life, I believe we call it faith. God has now called Harold to His ever lasting Home away from the cares of this world and has wrapped Him in His gracious arms as He will also wrap all of you in His arms and care ore all as life goes on until that time when we all meet together in the Heavenly Home there is nothing but celebration with all the rest of those who followed after God's call in this world.
