“ I am sad to learn of Jim's passing. I had the pleasure of working with him at the Lincoln Correctional Center and then later in our lives meeting him at sporting events while I was coaching and he was driving the bus. Prayers to all of his loved ones----he was a good one!

“ One of my favorite people. He had a charming smile and always a hug!! I took him home from a football game one night after he got hit in the head pretty hard during the game. He must have asked 10 times who won the game. He didn't remember that we actually had a date after the game 😊. It was best I took him home. Rest in peace old friend.
