“ I met Tom when I worked the admissions desk at Fillmore County Hospital. He was a regular morning "customer" on the weekends and was sometimes the only one who might come in for hours! It became such a routine that I worried about him if he didn't show up- -but he was smart enough to stay home when the weather was really bad. After I left the hospital's employment, I stopped to see him at Heritage Crossings. Ge seemed to be enjoying his new home there. Always had a ready smile and kind and friendly word to brighten my day. Prayers for his friends and family.

“ Too many memories to post just one, and that goes for all the siblings in this family. Uncle Tom was "cool" he had a Harley and a Javelin car. I got lucky on the family reunion ride to Devil's Nest and got to ride with him up there one time in that Javelin. And we rode on that Harley too, man did we wear him out given us rides!
