“ Jim, Dave, Chris, and spouses,
I was saddened when I read your Mom's obituary in the Lincoln paper. I didn't know your parents as well as I knew you guys but anyone that turns out three boys as nice as you guys had to be wonderful parents and people. We lost our Dad this year as well so I know what you are going through right now. You not only deal with the loss of a parent but also the loss of a part of your past. Cherish the memories that you will certainly share with each other over the next few months as you go through you Mom's belongings and family photos. My brothers and sisters are still doing this with things that are turning up and as the holidays pass. You have my sympathy and my thoughts and prayers are with you and your families as well. Sincerely, Tim Phillips
