“ *When we were teenagers Joe showed up at my house on his bike asked me if I wanted to go bike riding with him back to Fairmont of course I took off following him when we got there I asked if I could use the phone so my mom could come get me so I didn't have to ride it back after that he became a good friend to me and my friends even though I was a Geneva Wildcat I couldn't help myself hanging out with the Fairmont Tigers keeping stats with Brandon Luethke and watching Joey Barry David and Neal and all the dudes play football I will always remember all the good times and memories we made together and will be cherished forever ❤️*

“ I worked alongside Joe at EV. He was the best coworker (and friend) that anyone could ever ask for. He always brought a positive attitude to every situation. What I remember most about Joe was his amazing laugh.
