“ lot of Larry memories. It's odd I was sitting on my patio last week having a drink and he suddenly entered my thoughts. I hadn't thought of him in years and years. Anyway, so long pal. I won't forget you.

“ Larry and I go all the way back to high school. We ran around together - chasing girls in his 51 Plymouth. Larry was also my best man when I married Mary Jane Tatro.

After I moved to California and when I would return to Nebraska, Larry would let me ride one of his motorcycles. We spent many memorable hours riding side by side. Once in a while, I would bring my own bike and we would ride - that was way cool.

He will be greatly missed. My condolences to Mike & Mark and their families.

Miss you BUDDY!!
