“ My sympathies to you, Letha's family, I had the pleasure of getting to know Letha while she was at the manor during our "library visits". She was such fun when we chatted after getting her new library book to read. I will miss her smiling face. You are blessed to have had her in your family.

“ Extending my deepest sympathy to Letha's family. She was one of my faithful nurse aids at the nursing home in Geneva a few years ago. May she rest in peace.
