“ *My deepest condolences to Lois' family. Even with a firm hope for the future, death is still accurately described as an enemy. So we can't help but feel the void when someone we love dies. The Bible however, holds out a hope that we may see our loved ones again as John 5:28-29 says: all those in God's memory will be brought back to life. I hope this, along with the knowledge that others care, will bring you comfort at this time.*
