“ *My favorite 106 year old that I had the privilege to take care of earned her wings. She always said that I knew exactly what to do and how to do her routine and always asked for me because I was her “favorite”. She always wanted to know what was going on with school, if I had a boyfriend and to never get a tattoo! I miss having conversations with this lady and always being there for her when she needed it. I would even come in on my off days to tend to things that she needed. She taught me how to be a great caregiver to everyone I came into contact with. Forever in my heart.*

“ Prayers of comfort for Lois McDaniel’s family and friends. She was a dear friend of my father, Raymon Gough and Phyliss Real. Lois sent me a long handwritten card after my father’s passing just last year. Amazing to have such a long life. May she rest in eternal peace. 🕊
