“ I have been curious about not seeing Marion at the hair salon. My name is Deb and I've done her hair for quite awhile. I am so sorry, so so sorry for your loss. I will miss her very much. I was trying to contact her to let her know I was retiring and when both phone #'s I had were disconnected, I began to search. I loved her love of life, a real inspiration to me. May she Rest In Peace.
