“ I worked with Melinda in both the hospital and the office. She was an incredibly caring person and skilled practitioner. She always had time to help no matter how busy she was and we relished our quiet moments of having a quick coffee together. She was inspirational to me as a nurse.

“ Sending my love and deepest sympathy to Melinda's family. Please know that I loved her dearly and was so proud of our friendship over the years and in different places and different situations. I considered her family and she held a place in my heart for many reasons. I rejoice that she is in the Hands of the Lord and at peace and I know that is a consolation to her loved ones.
