Nancy worked for the Youth Rehabilitation Center in Geneva, Nebraska from 1984 to 2000 when her health forced her to retire. She enjoyed her 16 years working with youth as a cottage parent there. It was very hard for Nancy to leave her job. To her it was like having a second family. Nancy was known for her delicious homemade potato and macaroni salads. During her working years, she always made sure the refrigerator was full of food for her family and friends. She loved the holidays and decorating for them. She made the holidays and family gatherings in her home a very special time. She paid special attention to every detail. Nancy was also very talented with silk flower arrangements and crocheting afghans. She loved to give her handmade creations away to special friends and family. Nancy also loved planting and

tending to her flowers. She loved her birds, birdhouses, bunnies, chickens. The chicken coop wallpaper she chose for her kitchen on the farm will not be forgotten. In her later years, Nancy could be seen going for rides in her scooter on the streets of Fairmont, sometimes with a grandson on her lap. She much loved stopping and visiting with people on those rides. She was very independent and never gave up even though she was in a wheelchair. She took care of her home and her family from her wheelchair. You might stop by for a visit and find Nancy trying to vacuum from her wheelchair. Nancy will most of all be remembered for the love, care, and protection she gave her children and grandchildren. “ We were sadden to hear of Nancy's passing. Wish we could be there but distance and health issues will not let us attend. We all have memories of the Albro get to gethers being that their were so few cousins! I am glad we had a chance to see Nancy and many of you the last time we were in Fairmont. It will not be the same with so many of us not able to make it anymore. You all have our condolences and you are in our prayers. Love and our sympathies to all the family.
