Nicandro Aniseto Aguilera "Nicki" was born on June 15, 1982, in Idaho Falls, Idaho to Nicandro and Sharon Aguilera. He passed away unexpectedly on March 18, 2021. He lived in Idaho until his family moved to Nebraska. He grew up in Fairmont, Nebraska where he graduated high school. After high school he remained around the Fairmont/Geneva area until moving to Lincoln where he lived until he passed away.

Early in life, Nicki was as mischievous as you could get. If there was anything risky to try, he was the first to try it. He was the little brother that all the older kids had to make sure to keep an eye on or he would be gone in a flash. He always made sure he tried out

dangerous things before his little brother tried them to make sure it was safe.

He was very close to his mother, Sharon. One of the things they had in common was worrying about each other constantly. No matter how far away he lived, he would figure out a way to go see her. Nicki's best friend in the world was his dog Buddy. If you knew Nicki then you had to know Buddy. Nicki and Buddy's favorite activity was to take a walk and go see Sharon. Nicki also enjoyed spending time with his sister Melissa. She was like another mother to him and would always keep him on track. He didn't always like her mother hen approach but knew in his heart she was always looking out for him.

Nicki enjoyed being an amazing uncle to all of his nieces and nephews. He enjoyed wrestling with the kids, teaching them how to do jumble puzzles, doing outdoor activities and speaking to them in his famous Donald Duck voice. He would have made a great father someday.

Nicki had many jobs in his life but found his calling in screen printing. He was very passionate about it and was a very hard worker. He developed a love for fishing with his brother, Lito and their friends Jerry and Johnny Roth. He continued his love for fishing with his cousin Tim. They both spent many days going out fishing around the Lincoln area and giving each other a hard time. He also enjoyed going fishing with his girlfriend Kristina. They loved to go fishing and camping together. Nicki and Kristina developed a great love for each other and she was there for him until the very end.

Nicki had a big heart and was an amazing person, he will be deeply missed.

He is survived by his brothers and sisters: Michael Garcia, Tina Mosqueda, Joey Garcia, Monica Fielder, Tony Garcia, Melissa Al-Hilfy, Lito Aguilera and their families.

“ Nicki brightened my days when he worked at Shirts101. If I was grumpy, he would do everything he could to make me laugh. His favorite thing to do was sneak up behind me and whisper "Hi Mel" and scare the wits out of me. He would just laugh and laugh. His laughter was genuine and contagious.

I never met Buddy but I sure did hear about him.... like how he liked people food more than dog food, or how he never liked to get out of bed on cold mornings, or how excited he was to see his dad every single day. Nicki loved that dog and that dog loved Nicki.

*Rest easy, my friend.

“ Nicki was my best friend for the last 6 months. I shared my apartment with him when he didn't have anywhere to go. I have a lot of health issues and he took care of me when I had issues. I loved him so much and hurt so bad right now. I will miss him greatly.

Nicandro thank you for being like another son to me and I am so happy that you are able to reunite with your mom and buddy. I will miss you so much! I love you "little nicki" ❤️

“ *We love and miss you Nicki. You had a heart of gold and really cared about your family. You treated everyone with love and respect and that's more than most can say. The reaction I get when telling people about you is I really liked him and he was so nice. That's how I will remember you as well my friend. P.S. when you were around I looked like one heck of a poker player and fisherman.*
