“ So many memories of My Aunt Reta Mae! Visiting at the farm, playing with all the cousins and running to escape from the attack rooster in the front yard! Aunt Mae and Uncle Leonard helped my Mom so much when my Dad was deployed for 18 months and she was on her own with us kids.

I had the opportunity to spend some time helping Mae take care of Leonard at home after his stroke. She was such an example of patience and love for her husband. She was always so appreciative of my visits, we shared many a cup of hot tea and good conversations!

A lifetime of devotion to her family and her Savior- enjoy your rest good and faithful servant!

“ Jeanette, Sylvia and Bob and families my thoughts and prayers are with you. Your Mom was truly one of a kind and so very special. I am so thankful I had such a wonderful visit with her a few weeks ago. She was ready “to go home” as she told me. Treasure the wonderful memories. She and I laughed about so many memories that day. Memories you can never take away from us. I am so thankful I was able to grow up across the field from such a loving lady. Sorry I can't be there but know I am thinking of you.
