“ I did business with Richard for years. When G Kay hauled a load you knew it would get there on time and in good order. Richard was a good business partner but he was even a better friend. A man of faith with a heart of gold. Rest in peace my friend, I'll see ya later.

“ My sympathy to the family and friends of Richard. I will always remember the stories Richard would share with me and how we got to be good friends the years we would visit on the phone. He will be dearly missed by many.
