“ Dear Family, We so enjoyed knowing Richard as a part of our extended family through Bob and Mary. He was such a kind, generous, and interesting guy to visit with and be around. He certainly left a positive mark on earth and will be remembered for being one of the good guys. May the Lord use him well in Heaven. Erv & Family

“ Oh, Margrett - I am so sad. I received a note from my sister-in-law, Kay yesterday and she asked if Richard had been in our class as she had talked to Cynthia about his passing! He passed away on Lyle's birthday! I will now have two important and loving men to remember on that special day. We had such fun times in high school - Richard was our yearbook photographer and always had a story turning photos in and then, of course, our Lincoln adventures. Lyle always talked about 'sharing a can of green beans' staying over with Richard at the Pet hospital after they delivered us 'late' to our dorms. And, of course he was one of Lyle's groomsmen. Our class was and is still unique in caring about each other. Dear one, it is hard to believe this day but memories are the 'glue' in healing our broken hearts. Thinking and praying for you and your precious family. Linda

“ Dear Margrett and family, Our thoughts and prayers are with you. I remember when our MYF group went to South Dakota and Richard brought his homemade root beer. The bouncing of the bus made it explode and there was root beer everywhere. He was a great guy and will be missed.
