“ I didn't get to know Ricky as well as the people who were blessed to work directly with him, but I heard a great deal about what a joy he was for everyone. Please know that he was well-loved by many people at school and they will never forget their special time with Ricky.

“ Ricky has a special place in my heart! Your family touched my life in many ways. I am so blessed to share in his life. I light up when I think of all the time I got to be with him. I love his laugh when Deb would say that his "girlfriend" was at the house! He truly touched many lives and is an Angel! My thoughts and prayers are for you!

“ What an amazing little man. He touched so many people. I will miss his hugs, and all the fun we had together. I had big plans but I God had a different plan. I am grateful for the time I had and I am a better person because of knowing such a great man. He was my man but now he belongs to God. I am always here for you. I have enjoyed getting to know your whole family. All of my love and friendship,
