Robert Leroy Bender was born April 16, 1930 to Joseph and Mildred in Geneva, Nebraska. Bob resided in Nebraska for the entirety of his life. Growing up Bob spent summers working as a lifeguard at the Geneva pool and played sports with his younger brothers George and Rod, throughout his high school years and into his 20's. He was drafted into the U.S Army as a Forward Observer for a Heavy Mortar Company in the Korean War. After returning from war, he entered into the Reserves as a Military Police.

Bob was a carpenter, mechanic, and handyman by trade. He loved hunting, fishing, baking, and watching football, "no round ball", as he would say, unless it was the only sport on T.V. Snickers, popcorn, and ice cream is what would

be for breakfast and snack if he had any say in the matter. You'd always find Bob with his pipe and Captain Black along with his dogs or trying his luck at the horse races.

Bob led a long life into his 90's and was fortunate enough to live on his own on a ranch north of Taylor, Nebraska. He visited the Lazy "D" Restaurant daily to have morning coffee and then return twice, or three, or sometimes 5 times a day to visit with Derek & Jessica, the owners of the restaurant. He also won the 2015 Lazy "D" Annual Chili Cook off.

Bob is survived by his sister, JoAnn Polk of York, Nebraska; sons, Brian of Kearney, Nebraska, Troy of Phoenix, Arizona and daughter Lisa of Hubert, North Carolina as well as many grand-children and great grandchildren.

Bob survived the 2020 Pandemic at the Brookstone View Assisted Living in Broken Bow and passed on June 23, 2021 after 91 years of living the "Good Life" in Nebraska.

“ Josiea was Bob's step grand daughter that truly loved his chocolate chip cookies. She ordered them from him always without walnuts. Bob was truly loved by many.

“ *I can still smell the cherry tobacco of Grandpa Benders pipe. When I was a kid he give me broccoli for my birthday :) (because I loved it). He showed me and taught me how to use a Rifle and to this day everytime I get broccoli or have a Rifle in my hand I always think of Grandpa Bender.*

“ *This photo of Uncle Bob is wonderful as it shares how much he enjoyed hunting and his dogs. Your talent as a carpenter, baker. Taylor was your home and away from the noise of the world and blessed with a small town where coffee was plenty and good people around you. Most of all you spoke of Brian, he stopped by, you both went somewhere, even the many trips to the doctors, or to the store for groceries. It's hard to believe a few weeks ago we sat for a visit.. I will miss those chats, and to know there is so much more than this, I can almost hear you, Uncle Rod and dad catching up on the years you've been apart, good cup of coffee, possibly even a pipe to smoke, Grandma and Grandpa at your side and it is said.. Welcome home... all is well..*
