“ I think I can speak for the crew out here when I say Bob will be missed. Bob was always one we could count on to lend a hand when he could. I know he will be missed at home and the rest of us will miss him being out on the road.

“ Robert let me drive his 56 Chevy a few times when I turned 16. He was always trying to look out for us. It was great talking to him on the phone a month ago. We will forever miss and love him. May God find a special place for him. Take care Bridgett-see ya soon. Love ya!

“ Steve and I were very saddened to read this in the paper yesterday. We are so grateful we got to see the both of you a few shorts weeks ago. Bob will forever be remembered for his kindness, generosity, and especially his genuine concern for everyone. We will never forget all that he did for us the past twenty some years. Our hearts go out to his family.
