“ I have good memories of Bob when he worked for Biba Engineering. He was always polite and his truck was always well-shined. I remember him as a man of few words, but his actions spoke well of him.

“ I have good memories of my step-brother when we lived in the Geneva house. He taught me how to work on all those used vehicles he would buy. He let me drive his old Pontiac Starchief, till one day we tuned it up, and it never ran again. 😂
Rest in peace Bob 🙏
