“ *Charlotte and Betty,
So sorry to hear of Bobby's passing. I don't know if you remember me but I was Marilyn Wells. Raymond and Beulah were my parents. Our dog is the one that bit Billy so bad. I will never forget that day. Your Mom and my mom were close friends and we spent a lot of time together Betty when we were little. I remember so well that big house in Exeter. My thoughts and prayers are with you during this time.*
