“ I can't remember how old I was , but elementary school age. The Sanner and Scroggin familys went to Superior to see a movie together. The show was about two girls that were constantly getting into trouble. (you'd' think the story was about Kathy and LaRee) The Instigator for all the silliness was caused by the reddish- blonde young lady, named Samantha. From that time on, Bob called me SAM!
I love you Bob!
