“ To all of Roger "Bill" Mountford's family we send our prayers for your faith and memories to bring you comfort. Bill and Donnis ran the grocery store in Davenport for years and served their community well. Dr. Mountford delivered me at Deshler Hospital and when I was 5 stitched my head up because I got kicked by a horse. He also was our Doctor for many years until he retired. Our wish is that God's grace and love will support and sustain you all.

“ Bill and Donnis provided a great service to the community of Davenport by providing a grocery store there for so many years. They were always a pleasure to visit with. We will always be thankful for Bill's father who delivered Richard in the clinic in Davenport and served as his doctor into adulthood, once even making a house call to the farm to revive Richard after he was knocked unconscious by a steer who did not want to be sorted. Richard was 7 when he was revived by the doctor with smelling salts. Please accept our sincere condolences.

“ Many memories of "Bill" when we were young and living around Davenport and Shickley-mainly the grocery store that he and Donnis ran. Reading his obituary brought back many friendly names..his wife; father (who delivered Roger); brother; and in-laws, to name a few.
Our deepest sympathy is extended to his family.
