“ To the Haake family, I just tonight noticed Roger's obituary on FB and just wanted to extend my condolences. I, too, attended Fairbury Jr College from '54-'56. I remember Roger and am sure we probably took some of the same classes. Good memories from those two years. I was Edith Dolezal from Narka, Ks. I live in Hebron now but did live near Deshler with my husband and family until he passed in 1991. I know the Jarchows and I know Ethan Meerkatz's family ,too. My sincerest sympathy to you. “ *Sweet Leota, my heart is with yours, at this time. The time we all had together was so very special. It is so hard, when these times come and really have no answers. We are so grateful for the time God gives us, but also realize we are not totally ready. We will all meet again some day! Judy Edmonds*

“ My dear cousin, I can't believe you are no longer with us. We had so much fun growing up together on the farm, competing between Daykin and Tobias on sport events, singing for your wedding, welcoming our children and visiting when we would have family events. You and Leota were always so very special to all of us. You will be greatly missed, but know we will meet again!
