

Roger D. Johnson Jr

October 30, 1961 - December 15, 2015

Roger Dean Johnson Jr. was born to Roger and J. Suzanne Barkmeier Johnson on October 30th, 1961, at Friend, NE and passed away on December 15, 2015 at Warren Memorial Hospital in Friend, NE at the age of 54 years, 1 month and 15 days. He was one of three children in the family.

Roger was baptized, confirmed, and married at St. Stephen's Catholic Church. After graduating in May of 1980, he went to Southeast Community College in Milford and graduated in March of 1982 with a Diesel Technology degree.

Roger married Lisa Volkmer on August 20, 1982 and to this marriage there were two children born, Jessica on December 19, 1985, and Keegan on March 3, 1989. He joined the family farm after graduation and was a cattle feeder for several years. He had lots of good hired men to help him with all the farming duties and thoroughly enjoyed working with them all.

On September 16, 2000, Roger married Margaret Koca and to them one child was born Elijah Johnson on November 12, 2001.

Roger served on the St. Stephen Catholic Church Board, was a member of the Knights of Columbus and served as the secretary, and was an active Acolyte since 1988. He enjoyed being on the altar with both of his sons.

Roger was a proud member of the Cordova Fire Department, since November of 1984 serving as a Vice President for several years, just couldn't take the next step as President.

Roger was active in Boy Scouts as a youth, and later helped Keegan with his badges.

Roger was a member of the Exeter Feeder's and Breeder's from 1996 to 2007 and on their board of directors for eight years, secretary, vice president and President.

In Roger's spare time, he loved working with wood and made several projects for his family, friends, and refinished lots of items for people. In 2010, a new basement was put on at the house and he made sure he had room for an oak bar that he designed and crafted.

Roger was also known as the "fix -it- guy." He was a "jack of all trades" and he would say "master of none." He pretty much could fix or repair most everything, if he couldn't figure it out, duct or gorilla tape, bailing wire, or his favorite, a vise grip, in which he used to hold together the combine so he could finish harvesting one year. His goal was always to be done before his birthday, and usually this goal was achieved.

He was blessed to have O positive blood type and able to donate 5 gallons of blood.

An important goal on his bucket list was to learn how to scuba dive. He mastered the task and received the green light. He went to Puerto Rico, Cozumel Mexico, and was planning a trip this next year to another great unknown.

He enjoyed spending time with his family and friends, doing numerous things

from boating, fishing, golfing, skiing, hunting, sledding and enjoying a bowl of warm chili with Fritos, shredded mozzarella cheese, and sour cream, watching movies, hanging out by his bar, going out to eat, visiting with neighbors, working on projects, grilling and smoking various types of meats.

Roger is survived by his wife of 15 years, Margaret of Exeter, NE, children Jessica & Joe Fehlhafer, Friend, NE, Keegan & Kathleen Johnson, Lincoln, NE and Elijah Johnson of Exeter, NE. “ I am so sorry to hear of your loss. I, too, have lost ones dear to me in death and found great comfort in the words of Jesus at John chapter eleven verses eleven thru fourteen, where he likens death to being asleep and at John chapter five verses twenty-eight and twenty nine, he says "All those in the memorial tombs, or grave, will hear his voice and come out." That includes Roger. We can put our faith and trust in these words because we know God does not lie as stated at Numbers chapter twenty three verse nineteen.
