“ I am surely going to miss such a wonderful friend. We shared the same birth date and our children married each other. I was fortunate to be able to spend time with her this summer while we vacationed together at Disney world. We stayed awake long after the guys had fallen asleep, just talking and sharing special memories of our childhoods, family, and wisdom garnered from years of experience at living life. She shall be sorely missed but never forgotten. She will always hold a special place in my heart.
