“ *My favorite childhood memories were of my cousins, John, Sharon and Alan and my favorite Aunt Melba and Uncle John! They were like the brothers and sister I never had, since I was an only child. I loved going back to Nebraska to see them on their farm! We kids had so much fun playing outside, riding bikes, playing with the kittens, riding on the tractor, shopping in Lincoln, watching the lightening on the front porch, talking when we were supposed to be sleeping...I could go on and on! We made so many trips back there, and even as an adult, I try to go back quite often. My last trip was three years ago. I will never forget those memories! As a family, they made a couple trips out here to California. We enjoyed showing them some of our scenic places. I had such a wonderful phone visit with Sharon on my birthday...just two weeks ago today! At the end of our conversation I told her I loved her, and she told me she loved me!*

Love To All Of You,

Nancy
