“ *It's so hard to lose a special person. We are saddened by Sharon's death. We worked together at York General for years and Sharon always had a smile and a pleasant greeting. She was a hard worker and often held two jobs. Darren, we know how much your mom loved you and your family. Keep those good memories close in your heart. Sending our sympathy, Tim and Lynda Zieg*

“ *I'm very sadden to read of Sharon's passing. I was fortunate to get to know her better when I worked at YGH! Sharon was a very dedicated dept supervisor. Thru the years we had many conversations about members of the Hromadka and Slezak families. She was very proud of her son and grandchildren and would show pictures to me. God's Blessings to all of you!*

“ I had the privilege of working with (and for) Sharon at York General many years ago in housekeeping. Working with her was so enjoyable...always enjoyed going to work. She was kind, dedicated and always a smile. A great neighbor down the street from us in York, too. With sympathy for each of you, John and Julie Wilmes
