“ My condolences to the Larsen family. I didn't know Ted well, but well enough to know that he was a really nice guy. Starting in 1976, I specifically remember Ted from the Post Office, the cemetery board and the American Legion (services for my father). He always was unfailingly courteous and helpful.

“ We were saddened to learn of your loss. Ted was a wonderful uncle. I remember when Darlene and I would occasionally stay overnight at your house. One particular time us girls stayed in the pop-out camper in the backyard. As soon as it was dark, we heard spooky noises and scratching on the soft-sided camper. We all screamed! Lo and behold, it was Ted and Bernie scaring us half to death. Ted always seemed to know how to make events into special memories. I pray that your memories comfort you at this time.
